Employee Spotlight

This quarters spotlight employee is Ron Lauren, our Chief Financial Officer. Ron has progressed through our Executive Training Program and has proven he is truly a member server. Stop in and say "Hi".

Mortgage Rates have remained low. There is still time to take advantage of these great rates! Camp loans are our specialty!

Our surcharge free Iron River ATM is now up and running with 24 hour access in the foyer.

We have purchased land next to our Gwinn office and are installing a second drive-through lane as well as expanding our parking lot and highway access.

We also purchased Barney's next door to our Negaunee office. This will be used to move employee parking from the member parking area and will provide for "future" growth. We are studying an expansion of our main office to handle our member growth.

Teller Tips!

Balances, statements, and transfers are available on-line for your convenience. Ask and we will show you how. "Audi", our 24 hour telephone teller is free for use anywhere.
